MEETING AND COORDINATION

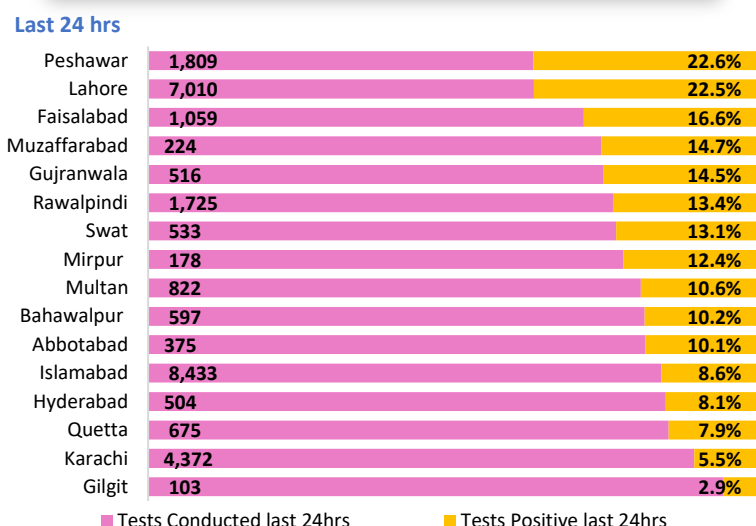

On 7th April 2021, WHO Country Representative Pakistan Dr Palitha Mahipala Commemorated the World Health Day - 2021. The event took place at WHO Country Office Pakistan.

World Health Day is celebrated on April 7 every year to recognize the widespread contributions of our medical faculty and the success of the World Health Organization. Every year WHO selects a theme highlighting a particular priority area of public health. The theme for world health day 2021 is Building a fairer, healthier world.

"The greatest wealth is health." -Virgil

The campaign highlights WHO's constitutional principle that "the enjoyment of the highest attainable standard of health is one of the fundamental rights of every human being without distinction of race, religion, political belief, economic or social condition."
