Meeting & Coordination

World Health Organization Pakistan in collaboration with National Institute of Health Islamabad and Provincial Health Department Punjab organized a three days training (5th to 7th August) of 16 participants from South Punjab. The participants comprised of laboratory technicians, laboratory in charges and pathologist. The training involved presentation and practical performance of COVID-19 real time PCR and QS5 machine, laboratory quality and bio-risk management. The PCR machines were donated by World Health Organization Pakistan as a commitment to enhance the laboratory testing capacity.
