Gaps: 14.98 Million USD

WHO appreciates the contribution of donors (DFID, BMGF, DFATD Canada, JICA, UNOCHA, South Korea, Czech Republic and Germany) to support Government of Pakistan respond to COVID-19 through WHO Pakistan.

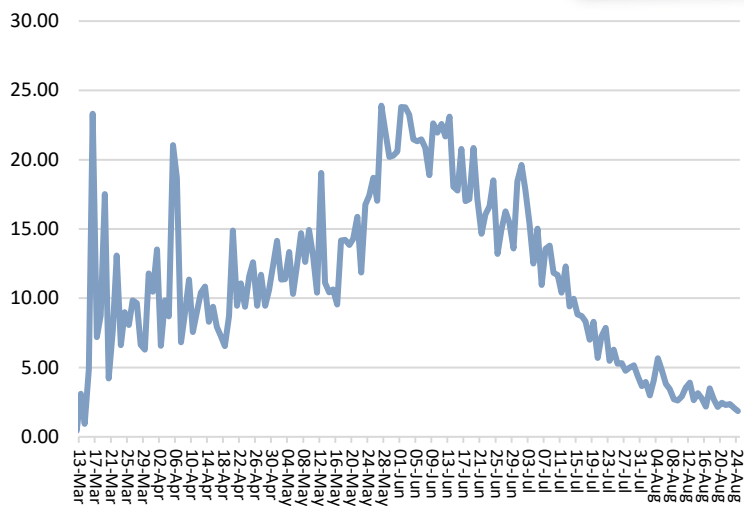

Meeting & Coordination

Today, 25th August 2020, WHO Country Representative, Pakistan Dr Palitha Mahipala briefed development partners on the current COVID-19 situation in Pakistan and Globally. During the meeting the following areas were discussed; surveillance, laboratory testing, community mobilization, declining incidence of COVID-19, maintenance of essential health services and research.

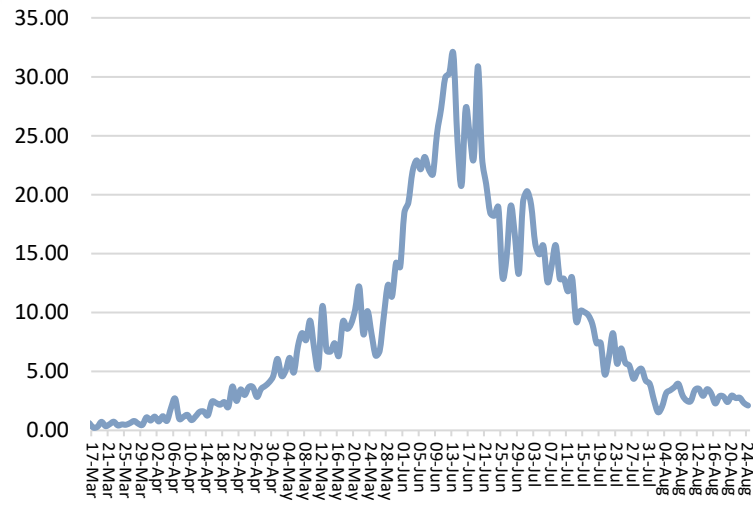

Dr Palitha urged partners to continue support to the government of Pakistan to respond the COVID-19 outbreak in the country.

Daily Positivity Rate

Daily Attack Rate/Million Population

Maintaining Essential Health Services

Yesterday, 24th August 2020, WHO Country office Pakistan organized a virtual meeting, with the provincial WHO surveillance officers regarding Dengue situation in the country. The meeting was chaired by the Incident manager Dr Michael Lukwiya chaired. The meeting was informed that in 2020 over 211 cases of Dengue has been reported across the country. There is need to monitor the trend of Dengue following floods in many parts of the country. WHO provincial surveillance officers are asked to work closely with their respective provincial health departments and share weekly updates with the country office.

Summary Table (Cumulative/current)

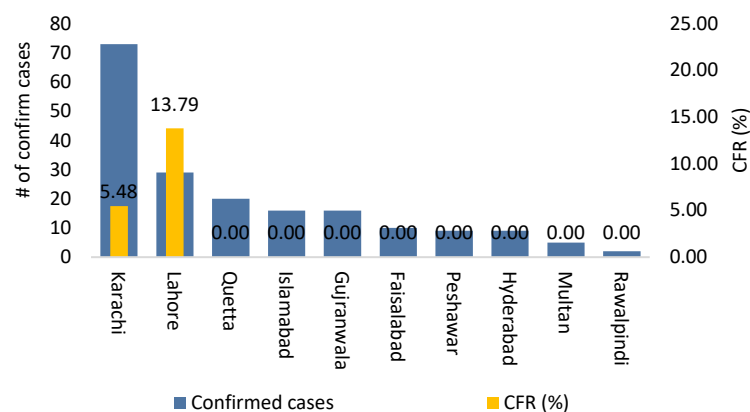

as of 25th August 2020

Lab Status (cumulative)		Hospitalized (current)			Home or elsewhere Isolation	Recovered	Deaths
Tested	Positive	Stable	On oxygen	On Vent.
