

Participants of the training on health systems response to GBV in the context of COVID-19

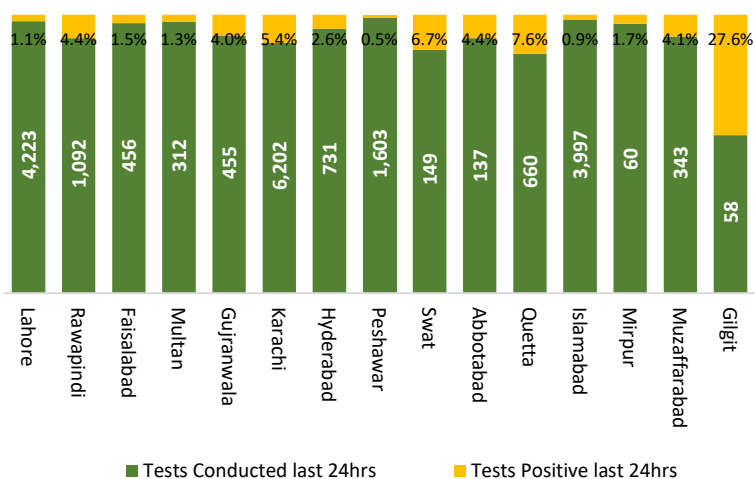

Maintaining Essential Health Services

The WHO Pakistan in collaboration with Provincial department of health, Punjab and Society of Obstetrics & Gynaecologists (SOGP) conducted a 4 days Training of Trainers (TOT) for gynaecologists on Health System Response to Gender based Violence in the context of COVID-19.

The training was conducted from 21-24 September 2020 in Lahore. The objective of the training was to strengthen provision of health care for survivors of GBV during COVID-19 pandemic. 18 senior health professionals from 10 health facilities of Punjab were trained. Topics covered included Sexual and Reproductive Health and right (SRHR) in the context of COVID-19. Ms. Ayesha Iqbal member of provincial parliament Punjab during her speech to the participants applauded WHO support to the government in controlling the outbreak of COVID-19 in the country.
