

Egypt: Accepted Projects

Disease	Country	SGS No	Year	Principal Investigator	Title	Type
Leishmaniasis	Egypt	9	1992	Magdi Shehata	Susceptibility of Phlebotomus major, P. papatasi and P. sergenti to various insecticides in Nekhel, Sinai, Egypt	Vector Control
Schistosomiasis	Egypt	37	1993	Laila Abou Basha	Morbidity due to single and combined hepatosplenic schistosomiasis and fascioliasis in the vicinity of Alexandria, Egypt	Morbidity
Schistosomiasis	Egypt	6	1993	Hoda Farag	Evaluation of an integrated approach of schistosomiasis control (chemotherapy and snail control) in a resettlement area, west of Alexandria	Control
Schistosomiasis	Egypt	7	1993	Tarek A Hammad	Feasibility of real time assessment of schistosomiasis control programmes: optimization via pattern recognition, computer simulation and cost - effectiveness	Epidemiology
Schistosomiasis	Egypt	28	1993	Samir El-Masry	Detection of circulating antigens in individuals infected with schistosomiasis using monoclonal antibodies and fast dot-ELISA	Diagnosis
Malaria	Egypt	22	1995	Dr Hassan Kamel Bassiouny	Determination of epidemiological factors causing persistence of malaria, P. falciparum transmission in Fayoum Governorate, Egypt	Epidemiology
Schistosomiasis	Egypt	49	1996	Amal Farahat Allam	Control of snail intermediate host of schistosomiasis using different molluscicides	Control
Lymphatic Filariasis	Egypt	8	1997	Reda Ramzy	Evaluation of an immunodiagnostic card-kit test for the rapid diagnosis of Wuchereria bancrofti infection in the field	Diagnosis
Malaria	Egypt	47	1998	Dr Salwa M Abd-Allah	Comparative efficacy studies using alternative pesticides (biopesticides, insect growth regulator and ivermectin) on anopheline-malaria mosquitoes in Egypt	Vector Control
Schistosomiasis	Egypt	7	1998	Mohamed I Kamel	Impact of schistosomiasis on the quality of life and productivity of workers	Morbidity
Schistosomiasis	Egypt	12	1998	Laila M Abou-Basha	Resistance of S. schistosoma mansoni Egyptian strain to praziquantel: a field study	Drug Studies
Schistosomiasis	Egypt	36	1998	Adel Zaki	Identification of groups at high risk of severe schistosomal morbidity: a suggested plan for control	Morbidity

Disease	Country	SGS No	Year	Principal Investigator	Title	Type
Schistosomiasis	Egypt	24	1999	Mohamed Salah Khedr	Epidemiology of schistosomiasis in Bedouins of Sinai, Egypt , after the introduction of Nile water	Epidemiology
Malaria	Egypt	52	2000	Dr Osama M Awad	Operational laboratory and field usage of neem extract as an alternative larvicide to control anopheline vectors and its toxicological impact on non-target species in Egypt	Vector Control
Tuberculosis	Egypt	79	2000	Alaa Mokhtar	Irregular treatment intake as a risk factor to treatment failure among tuberculosis patients under the DOTS strategy	Control
Lymphatic Filariasis	Egypt	102	2001	Reda Ramzy	Impact of the Egyptian control programme for elimination of filariasis on the indices of Wuchereria bancrofti transmission by mosquitoes	Epidemiology
Malaria	Egypt	43	2001	Dr Ali Hassan	Towards the development of a georeferenced database for malaria transmission risk management in Egypt using remote sensing and GIS	Epidemiology
Tuberculosis	Egypt	32	2001	Mohamed I. Kamel	Gender differences in utilization pattern and outcome of respiratory tuberculosis in Alexandria	Gender Differences
Brucellosis	Egypt	82	2002	Azza El Sherbini	Integrated approach for controlling brucellosis in an endemic rural area in Gharbeya Governorate: community-based and case-control studies	Epidemiology
HIV-AIDs	Egypt	184	2002	Ibrahim Kabbash	Evaluation of risk perception and precautions taken by health care workers for HIV infection in haemodialysis units	Infection Control
Schistosomiasis	Egypt	39	2002	Taha El-Khoby	Evaluation of the prophylactic effect of artemether on human schistosomiasis: a randomised controlled trial	Drug Studies
Tuberculosis	Egypt	61	2002	Sahar Shaker Soliman	Case-finding in tuberculosis patients: diagnostic and treatment delays and their determinants	Control
Vector Control	Egypt	64	2002	Abdel Baset Zayed	Bioassays and biochemical assays for detection of insecticide resistance in field populations of Culex pipiens from Egypt	Insecticide Resistance
HIV-AIDs	Egypt	152	2003	Ali Al-Nawawy	Condom needs assessment among adult male Egyptians	Condom Use
HIV-AIDs	Egypt	187	2003	El Sayed Gad	Risky behaviours and needs assessment for prevention of HIV infection among drug users	Risky Behaviour
Lymphatic Filariasis	Egypt	6	2003	Hanan Helmy	Xenomonitoring of the National Programme for Elimination of Lymphatic Filariasis in an endemic village in the Nile Delta of Egypt	Epidemiology
Tuberculosis	Egypt	171	2003	Essam Elmoghazy	The impact of orientation and training of private medical practitioners on the notification of tuberculosis patients to the National Tuberculosis Control Programme in Sharkia governorate, Egypt	Public-Private Mix
Malaria	Egypt	110	2004	Dr Ali Nasser Hassan	An environmental approach to assessing the potential risk of mosquito-borne diseases in periurban and urban areas in greater Cairo, Egypt	Epidemiology

Disease	Country	SGS No	Year	Principal Investigator	Title	Type
Sexually Transmitted Diseases	Egypt	242	2004	Fayek Salah Elkhwsky	Syndromic management of STDs among women attending family planning and antenatal centres in Alexandria	Diagnosis
Tuberculosis	Egypt	49	2004	Nabila Wahib	Quality of health care for tuberculosis suspects and patients, and its association with the case-detection rate in Egypt	Case detection
Schistosomiasis	Egypt	229	2005	Amal Farahat Allam	Assessment of the marginal error in diagnosis of and cure from <i>Schistosoma mansoni</i> in low-endemic areas using more sensitive techniques	Diagnosis
Tuberculosis	Egypt	38	2005	Safaa Amer	Evaluation of different diagnostic techniques for improving sensitivity of direct microscopy for detection of acid-fast bacilli in sputum specimens in Alexandria, Egypt	Diagnosis
Avian Influenza	Egypt	82	2006	Taghreed Farahat	Knowledge, attitudes and practice study and risk analysis of avian influenza: an intervention study in three governorates in Lower Egypt	KAP
Hepatitis	Egypt	147	2006	Safynaz Shalaby	Prevalence of, and risk factors for, hepatitis B and C viral infections among barbers and their regular clients in Gharbia Governorate, Egypt	Epidemiology
HIV-AIDs	Egypt	150	2006	Ibrahim Kabbash	Evaluation of HIV voluntary counselling and testing services in Egypt	Counselling and Testing
